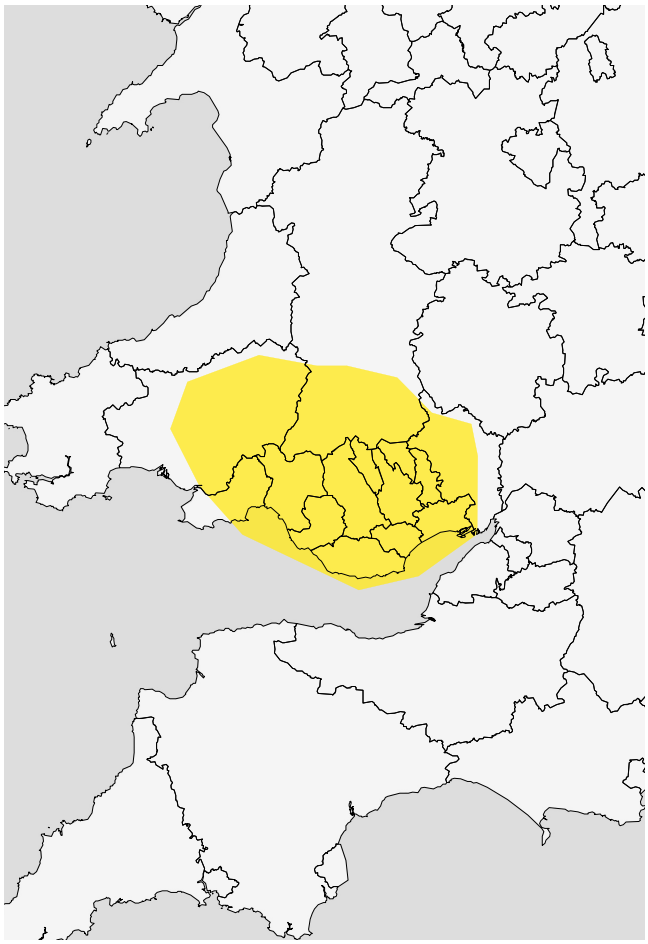
Yellow warning
Rain

Between
15:00 Mon 30 Sep 2019 and
15:00 Tue 1 Oct 2019



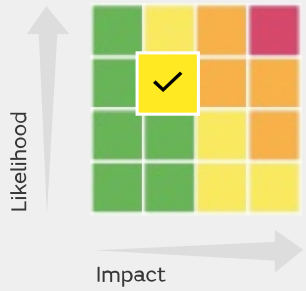
Heavy rain could cause disruption due to localised flooding later on Monday into Tuesday.

What to expect

- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

Further details

An area of heavy rain is expected to move northeast across Wales during the second half of Monday. The more persistent rain will probably ease on Monday night but bands of heavy showers are likely to follow on into Tuesday. Through the period, 20-40 mm of rain could fall quite widely with perhaps as much as 70 mm over high ground. With the ground having been left wet by heavy rain in the area this weekend, some flooding is likely.



Medium likelihood of low impacts
